

MacroPATH advance user workshop

Menarini Diagnostics are pleased to invite you to our workshop presenting ***Digital Dissection Management***. The workshop will train you on the full functionality and scope of the MacroPATH and how this will benefit your day to day work. This will include use of annotation tools and creation of videos.

The workshop will be held on **Tuesday 2nd April**

at:

*Menarini Diagnostics UK Head Office
405 Wharfedale Road, Winnersh
Wokingham, Berkshire
RG41 5RA*

Key topics include:

- Hands on training
- Round table discussion

Please send in your suggestions for subjects to cover for the roundtable discussion and any questions you want to be answered two weeks in advance of the workshop.

For further information please contact: 0118 944 4100 and ask for: Charlotte Hughes: charlotte.hughes@menarinidiag.co.uk
